## 07-12-93.2 3-B

On recommendation of Supervisor Antonovich, by common consent the Board requested the Chief Administrative Officer to work with involved

departments to examine the following and report back within seven days on the feasibility of implementing the following recommendations:

1. Explore and identify all services provided by the County which may be charged to the school districts and the Metropolitan Transit Authority (MTA);
2. Establish policies and procedures for the implementation of a 4/40 work week for all employees Countywide, excluding public safety and hospital personnel, which is estimated to save \$4.1 million annually;
3. Establish policy and procedures for the expansion and publication of the voluntary time-off program, which is estimated to save over \$20 million annually;
4. Implement an immediate freeze of upcoming 'step increases,' which is estimated to save \$16 million during the upcoming year;
5. Identify payroll modifications and procedures necessary for the closure of all County offices, with the exception of public safety and hospital services, for the week of December 23 - January 2, for a payroll savings based on 40 hours per employee;
6. Establish the amount of revenue that can be generated through the sale of advertising space on Department of Health Services' vehicles, which is estimated to generate \$238,000 annually;
7. Define and determine additional revenue to be raised through maximization of the marketing of Marina Del Rey and request the cities of Los Angeles, Santa Monica and Malibu to relax the standards relating to advertising through this program;

8. Clearly define each County asset which can be sold or leased and the amount of revenue to be generated by each;
9. Begin to move forward with efforts to out-source data processing Countywide, for an estimated savings of \$50 million; and
10. Cost savings of payroll once a month instead of twice a month.
